

Property Taxes Due Reminder

This is a gentle reminder that **2nd Quarter 2021 Property Taxes are now due. The last day to pay is May 10, 2021 by 4:00 pm.** Any payment received after this will incur interest back to the original due date.

Borough Hall continues to remain closed to the general public. If you wish, you may drop off your payment at the Lewis Street entrance in the secure silver lockbox on the wall. Please DO NOT leave payments anywhere else or give to an employee.

You may also pay online via our website at <http://www.closternj.us> There is a fee charged for credit and debit cards as well as E-check. To access, go to the Borough's website and on the bottom right of home page is a blue button to make secure online payments. It will lead you to a secured site for tax records.

We are still not accepting ANY cash at this time.

For those who have made payment already, thank you ! There is no need to call the Tax Office. This is just a reminder for those who have not yet paid.

Please stay safe and thank you for your attention to this !
