

Annual Fund Drive

Serving Closter, Alpine and the Northern Valley Since 1936

To Our Neighbors,

The men and women of the Closter Volunteer Ambulance & Rescue Corps (CVARC) selflessly respond to emergencies 24 hours a day, 365 days a year in our community. All of our members are trained volunteers and who receive no compensation when they leave their families to help you in your time of need. This means you never get a bill for our services. Last year we responded to over 700 calls for assistance and we need **your** help to continue our proud tradition of serving the community.

Our organization survives solely on donations. From the operational cost of maintaining our equipment, vehicles, and medical supplies to heating the building, your donations make a difference. Your donations have helped us purchase new defibrillators, the LUCAS Chest Compression System, and vehicle extrication equipment, which is vital to saving a life.

Your donation to the Closter Volunteer Ambulance and Rescue Corps is also **tax deductible** because we are a 501(c)(3) non-profit organization. Donations can be made on our website using a **credit card** or  **PayPal** at www.cvarcnj.org or mailing a **check** using the enclosed envelope.

Sincerely,
The Members of Closter Volunteer Ambulance & Rescue Corps
