Dear Chief Kaine:

On behalf of the NJSACOP Accreditation Program Commissioners and our entire organization, please accept my congratulations on achieving Police Agency Re-Accreditation through the NJSACOP Law Enforcement Accreditation Program. You and the members of your department can be justifiably proud of this accomplishment.

We look forward to working together with you and the men and women of your agency over the next three years as you maintain your accredited status, and work towards re-accreditation.

Please feel free to reach out to me or our Accreditation Program Manager, Harry Delgado, if there is anything that the NJSACOP can do for you or your agency.

Again, congratulations on your outstanding achievement.

Sincerely,

A handwritten signature in black ink, appearing to read "Mitchell C. Sklar".
