**SHARED SERVICE
SENIOR VAN TRANSPORTATION SERVICE**

The Boroughs of Haworth, Closter and Harrington Park work together to offer a shared van service for Senior Transportation. This joint van service has been designed to assist non-driving seniors with transportation to medical appointments, grocery stores, personal care (hair, drug store), that are within a ten mile radius of Closter.

This service is for seniors who are non-drivers (or temporarily unable to drive), independently able to walk to/from the vehicle unassisted and, most importantly, flexible in the pick-up & drop-off times for all appointments. This is a shared service with Haworth and Harrington Park. It differs from a daily or an on-demand transportation service, and is structured to offer transportation assistance for medical appointments, grocery stores and personal care appointments.

The Senior Van service operates, weather permitting, Monday through Friday beginning at 9:00 a.m. The van has to return to the garage by 3:00 p.m. Reservations must be made *48 hours* in advance of an appointment. Medical appointments are the priority. Participants are asked to employ patience as there may be a need to arrive to an appointment early or wait until the van can return for pickup.

Important Note

While the Boroughs await the arrival of a new van that will accommodate more passengers than the current “loaner van” (which is limited to 3 passengers), we request your patience and understanding in regard to scheduling.

For Closter Residents:

Registration is required for this service. If you, or a neighbor or family member, are interested in learning more about the program, or would like to sign up, please contact the Borough of Closter, Administrator’s office, 201-784-0600 x 304. Following sign up, a confirmation will be provided to the Director of the Senior Van Program.
