

**EARTH DAY Celebration  
WITH THE  
Closter GREEN TEAM  
AND  
The Closter NATURE CENTER**

On Earth Day, April 22, 2011, the Closter Green Team and the Nature Center invite you to celebrate with a walk in the Nature Center woods at 10:30 am, followed by a bring-your-own lunch around noon back at the cabin. If it's warm we'll picnic on the porch, and if it's too cold or rainy we can have our lunches inside. Please join us, and invite others you know who might enjoy celebrating Earth Day in the great outdoors.
