

CLOSTER GREEN TEAM JOINING NATURE CENTER IN TRASH AND BRUSH CLEAN UP EFFORT

Closter's new Green Team is encouraging all of Closter's residents to join us in a trash and brush clean up scheduled for Saturday, April 9 from 10 am to 1 pm. We will be joining the Nature Center in its annual effort and sending two extra clean up teams to Mollicone Woods and the stream beds by Memorial Field. Please meet us at the Nature Center Cabin at 10 am to pick up gloves and bags. We're looking forward to working with Closter's Girl Scouts and Boy Scouts for this clean up, and hope to see plenty of other volunteers as well.

It takes a village. Or a Borough in this case.....
