## ***SEEKING VOLUNTEERS***

The MacBain Farm Park, is exploding with delicious veggies! Closter's residents are welcome to enjoy this bounty. But farms need care and we welcome any and all volunteers to put in as many or as few hours as they wish to weed the fields and stake and tie tomatoes.

If you're a Closter resident between ages twelve\* and ninety and want to try inhaling the wonderful air at the farm while you're helping to make things grow, please consider volunteering. Volunteers are always welcomed and very much needed to sustain this abundant garden.

You can volunteer any day of the week when the farm is open to the residents.

Please email [mcbfarm@closternj.us](mailto:mcbfarm@closternj.us) to make arrangements.
