Dear Friends and Neighbors,

On this Thanksgiving holiday, a time of reflection and gratitude, I would like to take a moment to pause and consider the multitude of ways we, as a vibrant community, are so very fortunate. There are many opportunities in which to share our community's abundance and enhance the place we all call home.

In his Thanksgiving Day, 1963 Proclamation, President John F. Kennedy wrote "Let us therefore proclaim our gratitude to Providence for manifold blessings; let us be humbly thankful for inherited ideals and let us resolve to share those blessings and those ideals with our fellow human beings throughout the world".

Today, as we begin to celebrate Thanksgiving, I would to extend my gratitude to each and every one of you. My ability to serve our prosperous community is one that I am truly thankful for.

With warm wishes for a very Happy Thanksgiving,

John C. Glidden
Mayor
