## **Mayor's Statement on the Events in Ukraine**

**March 1, 2022**

My family and I stand with the free and sovereign nation of Ukraine, and I am quite sure the residents of the Borough of Closter stand with the men, women and children of Ukraine as well. We condemn Vladimir Putin's evil path of destruction and call for retaliation from the United States and all countries of the world. We wholeheartedly support the imposition of economic sanctions against his regime for his wanton and unprovoked act of conquest. We cannot lose sight of the people on the ground who will suffer the most from this war and violence. Vladimir Putin ignored diplomacy and chose war. He will be held accountable. Our hearts and minds go out to the people of Ukraine.

Thank you,

---
