**John C. Glidden, Jr.**  
Mayor

Office 201-784-0600 x 500  
Fax 201-784-9727

April 2022

Dear Closter Resident,

The Borough is facing an unprecedented need to secure the funding that will enable the Borough to develop the necessary revitalization plans to address the cumulative impact of storms which have significantly impacted Closter's waterways. It should be understood that Closter has many waterways which would impact a large number of the Borough's 2500 homes. Securing funding to obtain the necessary resources for the Waterway Project are earnestly being pursued by a team of Borough professionals. As I am certain you are aware, a project of this magnitude requires a global coordination effort to secure funding, develop engineering plans, secure the required DEP permits and secure the contractors.

The Borough of Closter has applied for federal funding under the "**Community Project Funding 2023**" application of which our Congressional Representative, Congressman Josh Gottheimer, is a member of the appropriations committee. The Community Project Funding 2023 request will provide the Borough with funding needed to revitalize and revamp Closter's waterways.

Closter residents can assist with the Borough's request for federal consideration by contacting our federal representative. The **Borough of Closter's Community Project Funding 2023 Application** was submitted through Congressman Josh Gottheimer's office.

Please consider reaching out to Closter's Congressional representative and requesting the Borough of Closter's Community Project Funding 2023 Application be approved. Congressman Josh Gottheimer's email is [GottheimerAppropriations@mail.house.gov](mailto:GottheimerAppropriations@mail.house.gov) or 201-389-1101. Please consider visiting Congressman Gottheimer's website, <https://gottheimer.house.gov>, for additional contact information.

Together we can work to address the needs of our Community.

Sincerely,

John C. Glidden, Jr.  
Mayor
