The much anticipated Closter Police Trading Card release is Saturday, September 10th!!!

Rules/Guidelines for a Child to Collect the Cards

1. No Parent or Guardian should ask or collect a card for the child.
2. In order to collect an officer's trading card, the child should introduce themselves to the officer. This does not mean that the parent/guardian cannot accompany the child when speaking with the officer, but the child must be there to speak with the officer.
3. A child may come to the Closter Police Department at any time to collect a card, but should an officer not be inside, we respectfully ask that an officer is not requested to come into the police station solely to collect a card.
4. If a child loses an officer's trading card, they can approach the officer again to ask for a replacement card.
5. No child is to approach an officer while the officer is near his patrol car with the emergency lights activated or the officer is involved in some type of investigation.
6. No child is to disregard their own safety because they see an officer and need their trading card.
7. When an officer is not working, they will not have their trading cards with them.
8. Children should not attempt to collect trading cards inside of the school, during the school day.
9. This program is designed for Closter residents only.
10. The program will be from September 10th 2022 until January 1st 2023
10. Collect all 23 cards, bring the collection form to Closter HQ and a police officer will sign the form confirming you have collected them all.
11. The child will then be entered into a raffle to win a prize the week of January 1st 2023!!!
