- Guidelines**
- No person, business entity or utility (private or public) shall excavate or bore in or under an improved or unimproved Borough-owned thoroughfare, etc. without the issuance of a permit.
 - Infrared restoration is required for excavation or boring of a thoroughfare improved or replaced within the previous 3 years.
 - A small opening is defined as 16 square feet or less.
 - An extensive opening is defined as greater than 16 square feet.
 - Authorized work must commence within 30 days and be completed within 45 days of the permit issuance by the Building Department.
 - Permitting ceases between November 15th and March 15th each calendar year as well as Saturdays, Sundays and holidays unless deemed an emergency by the Borough.
 - This application must be accompanied by a copy of the Borough's Tax Map sheet that corresponds to the location of the proposed opening as well as a depiction detailing the scope of work.
 - The release of posted security deposits and surety bonds is at the discretion of the Department of Public Works and/or Borough Engineer upon restorations being inspected.
 - For scheduling of inspections, contact the Department of Public Works via phone at (201) 784-0753 or email at dpw@closternj.us.
 - For traffic detail requests, contact the Police Department via phone at (201) 768-5000 or fax at (201) 768-7413.
 - For further details, visit www.closternj.us to review Chapter 171 (Streets and Sidewalks) of the Borough Code.
