

Raising Awareness And Providing Hope

**AIR will be speaking to the 7th and 8th graders Thursday afternoon!
Come hear what they are learning about..**

**Great Opportunity to be informed about how to talk to your
kids about substance use & the disease of addiction from
LOCAL PEOPLE that have been there.**

**THURSDAY, May 16, 2019 @ 6:30pm
TENAKILL MIDDLE SCHOOL
275 High Street
Closter, NJ**

*The AIR PAIRent Program's goal is to raise awareness, end stigma, and provide hope and resources within your community about the disease of addiction. We are local people -both young recovering/ and those that have lost their children to addiction- SPEAKING FROM THE HEART about addiction. *The numbers of deaths due to overdoses are still continuing to rise here in our state.**

WE MUST TAKE A STAND TO END THE STIGMA!
